

Track 2:

Tunanta Fish Face

Tunanta bouncing out of the water
To catch a slippery sprat
Fighting with her brother
Rascally Tuna Face

She rolls up her ears
She's a playful pup
Thin tickling whiskers,
She's still growing up

Tunanta bouncing out of the water
To catch a slippery sprat
Fighting with her brother
Rascally Tuna Face

Unblinking open eyes
Toenails to groom her fur
Fast flowing flippers
When she swims, she's a blur

Tunanta bouncing out of the water
To catch a slippery sprat
Fighting with her brother
Rascally Tuna Face
